DANG - Dangdang operates a very popular E-commerce website in China. The site offers consumer goods, general merchandise and lifestyle products, electronics and toys. It has a huge selection of company sourced goods, the model is similar to the huge US marketplace operators, offering variety of goods direct-to-consumers.

In addition DANG's Marketplace program is growing in popularity and attracting other businesses to sell their merchandize.

This once high flying stock is trading a tad above its 52WK Lows. Dang is attracting value investors, could rebound fast, keep an eye!
