

[Warren Resources](#) | [WRES](#) | [Profile](#) | [Summary](#)

[Warren Resources](#), [WRES](#), is an independent energy company engaged in the exploration and development of domestic oil and natural gas reserves.

Warren's activities are primarily focused on oil in the Wilmington field in California and natural gas in the Washakie Basin in Wyoming.

In addition the company has accumulated large tracks of undeveloped land in the Rockies.

In the wake of BP blow up in the Gulf, and the subsequent restrictions on off-shore development, small [independent energy](#) companies like Warren are worth a second look.

on-shore oil and gas asset prices rising
