Hot Stock Picks for Monday 06-20-11

TradeNote: Congratulations Members! you pocketed a whopping 96% Gains on ACUR. The Best picks on the Planet [\[FACTCHECK\]](#)

Stocks to Watch

BRD - Brigus Gold Corp is engaged in extraction and exploration of gold, silver, lead, and zinc. The company has interests in the Black Fox project located near Matheson, Ontario, Canada; and the Huizopa, Sierra Madres in Chihuahua, Mexico. **L**
ooks very attractive at this level, watch it closely.

FSIN - Fushi Copperweld manufactures and markets copper-clad aluminum (CCA) and copper-clad steel (CCS). Its CCA and CCS conductors are used as a substitute for solid copper conductors in applications where specific electrical or physical attributes are necessary. The company markets its products under Copperweld and Fushi brand names to telecommunication, electrical utility, and transportation markets. **L**
ooking for a big bounce back, keep an eye!
