

Hot Stock Picks for Friday 07-01-11

CJJD - China Jo-Jo Drugstores, owns and operates a retail pharmacy chain in the People's Republic of China. Its stores sell various medicinal products, including prescription and over-the-counter drugs, nutritional supplements, traditional Chinese medicine products, personal care products, family care products, as well as convenience products including consumable, seasonal, and promotional items.

The chain is expanding at a faster clip and, Chinese demographics makes this stock

very interesting to watch. Bouncing back, keep an eye!

QUIK - QuickLogic Corporation, a fabless semiconductor company, develops and markets low power customizable semiconductor solutions for tablets, smartbooks, netbooks, cloudbooks, smartphones, datacards, and mobile enterprise products. Its solutions enable original equipment manufacturers and original design manufacturers to add new features. **At this level, we think the stock is very attractive.**
