

FTWR - FiberTower provides facilities-based backhaul and premise access services to wireless carriers, government, and enterprise markets in the United States.

The company operates high-coverage, high-capacity hybrid microwave and fiber networks. Very Attractive, keep an eye.

ANDS- Anadys Pharmaceuticals, a biopharmaceutical company, developing novel medicines for the treatment of hepatitis C.

Its leading drug for hepatitis C, ANA598, is in Phase IIb study and another drug ANA773, an oral small-molecule inducer of endogenous interferons that acts through the Toll-like receptor 7 pathway for the treatment of hepatitis C and cancer. **Keep an eye, speculative.**
