

**NLST – Netlist** provides intelligent memory subsystems for the data centers, high-performance computing and communications markets.

The company offers its products under the HyperCloud and NVvault trade marks. Netlist markets its products through a direct sales force and a network of independent sales representatives to OEM's and services providers.

**Very Attractive.**

**MSO - Martha Stewart Living Omnimedia** is an integrated media and merchandising company, Publishing, Broadcasting, and Merchandising, its target audience are mostly women between the ages of 25 and 54. It also publishes Martha Stewart and Emeril Lagasse branded books.

Omnimedia has several niche websites catering to women. The Merchandising segment designs and licenses various proprietary trademarks products to big box retailers.

**Though it has lost its glitter a little and the space has become very competitive, however, the content rich portals and ideal female audience could be a gold mine for a large media company. Very Attractive, keep an Eye!**
