MCOX - Mecox Lane manufactures and sells apparel, accessories, home furnishing, and healthcare products through its network of retail stores, online direct to consumers and to wholesale dealers.

Mecox Lane offers products under its own proprietary brands, such as Euromoda and Rampage, as well as under selected third-party brands. The company has 478 stores in 182 cities across China.

**Highly Undervalued, Bouncing Back from
52WK
Lows.**

YGE - Yingli Green Energy is a leading manufacturer of photovoltaic (PV) products based in China. The company offers PV cells, PV modules, and integrated PV systems, as well as polysilicon ingots, blocks, and wafers.

Yingli has several advantages over its competition, it has a large installed manufacturing base very few can match and , it is one of the Lowest cost manufacturers in the World. **The stock came down real hard, we think at this price its a bargain, keep an eye!**
