FDA's surprise Valentine Gift to WOMEN!

Who says FDA doesn't know anything about romance? We are pretty sure nothing like this ever happened before, the greatest romantic gesture in the history of FDA and the timing was priceless!

On Valentine eve FDA delivered a surprise gift, Ladies: its NOT long stem Roses, something Better! FDA said YES! to Gel. FDA has approved [BioSante's](#) Bio-T-Gel. [BPAX](#) estimates the

market for Male Dysfunction drugs in the US alone is \$1.2 Billion Dollars.

We alerted our members on Jan 17th when the stock was trading near the 5 2WK Lows, our headline read “BPAX shareholders wonder if there is a Gel for stock dysfunction!”

Well, there you have it, FDA answered the prayers and BPAX is UP a whopping 107% ! our members are ecstatic. Are you Gellin '?
