About OxBridge Research

According to OxBridge Research "The research company provides rigorous research and analysis using its own, time tested, proprietary method."

About Del Toro Silver Corp.

Del Toro Silver Corp. (OTCBB: [DTOR](#)) is a dynamic mining and exploration company whose corporate strategy is the acquisition and development of high grade, near term production gold properties in the western USA and Mexico, with particular focus on historically prolific California mining districts. Del Toro's new management team, in place since September 2011, targets properties which require limited exploration, development and mining expenditures, with the potential for near term production and positive cash flow. In keeping with this strategy the company recently entered into an Asset Sale and Purchase agreement for the Discovery Day Gold Property located in Siskiyou County, California. The goal of the company is to become a gold producer and industry leader in the small to mid size mine market.
