Top Stock Picks for Today 09/14/10

Crude oil prices are trending up. Crude generally doesn't get much attention when the price is under \$80.

Now its edging up, ever so slightly, we believe its time to Drill, we are not talking about ' Drill baby Drill'

Our interest is Drilling Stocks. Drillers took a big hit, we believe they are primed to make a huge come back. Here are the few small cap plays we have selected for our members.
