Top Stock Picks for Today 09/17/10

cap Biotech firms **Biotech sector is hot, driven by new and innovative products, many in the 2nd and 3rd phase at several small**

The Big Pharma is looking to replenish their depleting pipe lines. Drug stocks are inherently risky and highly speculative.

Here are the few we think worth watching.

[SGEN](#) - [Seattle Genetics](#)

[IMGN](#) - [ImmunoGen](#)

[GTXI](#) - [Gtx Inc.](#)

[NPSP](#) - [NPS Pharma](#)

We have profiled other Biopharma stocks in the past, you may want to check them as well.
