

Market Bleeding Red on Black Friday

Written by staff

Friday, 26 November 2010 18:03 - Last Updated Friday, 26 November 2010 18:05

The Great American Tradition of 'shop until you drop' is in full force.

Early reports suggest everything on sale is flying off.

That is, unfortunately, not the case with the Market. Will the todays triple digit

losses look like a great bargain on Monday?

Hot Stock Picks Friday 11/26/10

We Alerted our members about these stocks almost a month ago{check it out}the gain has been significant, however, we still believe, they worth a second look.

CXZ – Crosshair **URRE** – Uranium Resources **URZ** – Uranerz **DNN** – [Denison](#)
