Hot Stock Picks Tuesday 11/30/10

There is a real battle going on between the fundamentalists and the technicians.

It looks like, at the moment, technicians have the upper hand, our own analysis shows, the DOW most likely will close above the critical 11,000 today.

Stocks to Watch

TradeNote: Our pick from Nov. 9 shot up a whopping 43%! we are very excited and happy for our Members who scored Big! ([see here](#))
