Hot Stock Picks Friday 12/03/10

Investors needed a reason to book profits, and they got one, the Employment

Report. It was worst than expected Unemployment now stands at 9.8%.

Our Focus today: Small Media Properties. We researched quite a few and found the following stocks to be very attractive. **Members!** Keep an eye.

TradeNote: We alerted our members on **MVIS** [on Nov. 18 take a look](#)
