500 points in 15 Days!

Race to DOW 12000 is on track, we predict DOW to finish the Year with a huge Bang. Holiday cheers from the retailers will continue. The Last FOMC meeting for the year 2010 sent a positive signal to the market. We don't expect any significant negative impact on the Market from the routine scheduled data releases.

Hot Stock Picks Wednesday 12-15-10

TradeNote: Our members made a whopping 31.36% in just 4 Days! - Check our picks from 12-10-10 - Is that reason enough to become a member? We think so.
