

HOT Stock Pick Monday 05-09-11

Stock to Watch

UBRG – **Universal Bioenergy**, is an alternative energy company engaged in development and marketing of a wide range of natural and alternative energy products, including natural gas, solar, synthetic fuels, biofuels, wind, wave, tidal, and green technology products.

The company reported a record revenues over \$55 Million Dollars for the year 2010 and

more than \$22.5 Million for the First Quarter of 2011.

This positive development caught the attention of investors who sent the stock to 52 WK Highs! A remarkable more than 50% gain

in stock price happened in just one week.

We believe the company is most likely to continue the rapid pace of growth for the rest of the year. Based up on the reported revenues for the First Quarter of 2011, its fair to say the company could increase revenues by 100% for the year 2011, keep in mind that the company has record revenues of over \$55 Million Dollars in 2010.
