

### Hot Stock Picks for Tuesday 05-24-11

**REVV - The Princeton Review**, provides integrated classroom-based, print, and online products and services to the high school and post-secondary markets in the United States and internationally. Its Test Preparation Services division provides live and online test preparation courses, as well as individual and small group tutoring in test preparation and academic subjects.

**Speculative, inPlay, keep a close eye!**

**LMLP - LML Payment Systems** provides electronic payment and authentication services to businesses and organizations to receive or send payments in Canada and the United States. PayPal settled a Patent dispute and paid \$7.5 Million Dollars, there are others who might do the same and license company's technology.

**Very attractive at this price.**
