Stocks to Watch

BIOF - BioFuel Energy is engaged in the production and sale of ethanol and its co-products. The company has two ethanol plants that produce 115 million gallons of ethanol per year, which are located in Wood River, Nebraska and Fairmont, Minnesota. Bouncing Back from 52WK Lows, looks very interesting right here, Speculative.

SHZ- China Shen Zhou Mining company owns several major mining concessions in China. The company mines many non-ferrous metals, however, the Rare Earths minerals is what makes this company interesting. Chinese stocks carry other risks in addition to the market risk, so one has to be extremely cautious trading in Chinese stocks.
