

Hot Stock Picks for Tuesday 06-14-11

TradeNote: LMLP one of our recent BEST picks Ever! gained Double Digits today. This is the only place, You get introduced to little Gems before they break out and make a huge Splash!

Stocks to Watch

Remember HTCH? The old HTCH is Back! Hutchinson Tech, one of the best known Hard Disk Drive manufacturers in the world. **We think it has a good potential, the stock is in play, bouncing back from its 52WK Lows, keep it on your list.**

KBX - Kimber Resources is a junior mineral resource company.. It focuses on the exploration of gold and silver deposits in Mexico. The company holds interest in 35 mineral concessions covering an area of 29,000 hectares and is located in the Sierra Madre mountains of southwestern Chihuahua State. **Miners are catching up to the Gold Price surge, the stock looks good here, keep an eye.**
