### Hot Stocks to Watch for

**08/09/10**

[EBAY](#) , got much needed boost

following the IPO news of its subsidiary

**SKYPE**. The stock has been trading at this

levels for the past three months. It

deserves a second look.

[BIDZ](#) , looks interesting at this level.

[STMP](#) , breaking out near its 52 WK high,

company is well positioned. Very attractive,

should be on your list.
