

Hot Stock Picks for Friday 06-24-11

NYNY - Empire Resorts, operates in the hospitality and gaming industries in New York. The company owns and operates Monticello Casino and Raceway, a video gaming machine and harness horse racing facility that conducts pari-mutuel wagering.

Got a big boost recently with a Master developing agreement. Speculative.

FTWR - FiberTower Corporation provides facilities-based backhaul and premise access services to wireless carriers, government, and enterprise markets in the United States. It provide backhaul services to construct and operate high-coverage, high-capacity hybrid microwave and fiber networks. The company provides carrier-grade connectivity over its licensed spectrum to enterprises located in on-net and off-net buildings.

Very Attractive, Keep an Eye.
